Policy:

1. Unopened Cochlear Implant (CI) systems can be returned within 30 days of the shipment date. Open CI systems cannot be returned. Individual system components cannot be returned.
2. Unopened CI system components can be exchanged within 90 days of the shipment date. Implants can be exchanged for the same generation technology up to 3 months prior to the expiration regardless of the shipment date. Open CI system components cannot be exchanged.
3. All exchange and return orders require a Return Merchandise Authorization (RMA). Please contact Customer Service to initiate an RMA.

You should talk to your physician about who is a candidate for cochlear implantation, the associated risks and benefits, and CDC recommendations for vaccination. Cochlear implantation is a surgical procedure, and carries with it the risks typical for surgery.
